EMPLOYEE BENEFITS NEWS

NAVIGATING COVID-19

The COVID-19 pandemic has changed all of our lives in more ways than one. Communicating the latest updates becomes a challenge as information changes so quickly. For this reason, we recommend going straight to government sources to find accurate information. We have provided links to a few federal and state resources that may be helpful during this stressful time.

Your team at Stuckey has been focused on staying up to date with the changes that seem to come out daily. While there are certain items that all carriers must handle in a uniform fashion, such as covering the cost of COVID-19 testing, there are other grey areas that are being handled differently by each carrier, such as covering furloughed employees. Please know that your Stuckey team is here to help you sort through the difficult questions and concerns that may arise during this time.

As always, we appreciate the trust and confidence you place in us throughout the year. We are here to support you, but especially in these uncertain times. Let us know how we can help you.

Stay safe and take care!

-Your Stuckey Team
